I, _____, hereby donate the books, papers, photographs and/or other historical materials described in Attachment A of this document to the Library of Florida History. I am the legal owner of these materials and now give and assign to the Library of Florida History legal title, property rights and all rights of copyright which I have in them, including the rights to reproduce, publish, display the materials, and any other rights associated with legal ownership.

CONDITIONS OF GIFT

1. The materials shall be maintained, organized and made available for research under the usual procedures of the Library of Florida History. I further understand that any time after delivery of the materials I shall be able to examine them during the regular working hours of the Library of Florida History. The books, papers, photographs and/or other historical materials will not be made available to researchers until a standard inventory of their contents has been prepared and a copy received by me.
2. The Library of Florida History may dispose of any materials which its representatives determine to have no historical value or permanent interest, to be dangerous to the safety of the Library of Florida History staff, researchers, or physical facility, providing that prior to any disposal and during my lifetime I shall be notified of such determination, and that at my request the materials proposed for disposal shall be returned to me.
3. No monetary value for any donated materials shall be assessed by any representative of the Library of Florida History, but copies of pertinent Federal Internal Revenue Service forms shall be furnished upon the request of the donor.

I hereby certify that I have read and that I understand the conditions outlined in this Deed of Gift.
